Riders of Mississippi**

Minutes of February 10, 2018

Met at Fat Tuesday's in Ridgeland

Dan Stubble, President, called the meeting to order.

**Treasurer's Report:**

Laurissa gave the Treasurer's report.

**Ride Reports:**

None

**Old Business:**

**None**

**New Business:**

- Discussed the Courthouse run. The proposal was passed around for discussion and approval of the event. A few minor changes will be made and it was approved to go ahead with the event. It was a 100% show of hands that they would participate. After our next meeting in Magee we will ride to Mendenhall to take photos that will go on the back of the T shirt. Bring your friends to the March meeting, the more bike in the photo the better. Alan will make the needed changes and set the date but it looks like the event will be in April with scoring and awards at the May meeting. Look for a future e-mail with the final edition.
- Dan suggested we create an event committee that could plan and work on future events such as weekend get-a-ways with meetings at state parks, rides to places like Mount Magazine, the courthouse run, 82 in 1 and the MS Blues trail ride. A committee was formed with Alan, Ian, and David as members. We want 1 or 2 more members. All ideas will be considered and discussed at future meetings.
- David Pell has a friend that can make calendars and he suggested that we send him photos that could be used. So, send David Pell some Good photos of you and your bike in front of something cool but it must be in Mississippi.
