

**BMW
Riders of Mississippi**

Minutes of April 12, 2018

Met at Steve and Patty Harrison's home in Gulfport

Dan Stubblefield, President, called the meeting to order.

Treasurer's Report:

Laurissa gave the Treasurer's report.

Ride Reports:

- Alan Gave a report on their courthouse run.
- Ken is very excited about his upcoming trip with his daughter to Alaska.
- Dan and Richard are just a week away from their western adventure.
- Alan and about 5 others are headed to Mount Magazine next week.

Old Business:

- Court House Run info: There are 8 people that made the run. Alan and Laurissa came in first with David and Ian very close behind. However, even though David did not win in points he did have the most courthouses, 22. He is now and will forever be known as rocket man.

New Business & Event Committee Info:

- Lots of time spent discussing future events and meetings.
 - NOTICE the October 13 meeting will be part of a "weekend get-a-way" at Percy Quin State Park in McComb. The meeting is on Saturday as always, but we will be cabin camping on Friday the 12th and Saturday the 13. COME join in all the fun. There are 4 cabins that are going fast. Several have 2 bedrooms so if you can talk a friend into it split the cabin. When the cabins run out they have a "hotel" that is within walking distance. We will have a camp fire and the Saturday evening meal will be a low country boil. **CALL NOW and** get your cabin or room before they run out.
- Ian is also working on another 2018 event that we will call the Mississippi Historic Courthouse Run This will be ready very soon.
- The 82 N 1 quest is being revised just a little to make scoring easier.
- The Mississippi Blues trail is another quest we are doing.
- The blues trail and the 82 N 1 will be staple events that will always be available. Other events like the Courthouse run will run for just that specific year.

- We are also going to add another drop down on the web-page called award winners, or something like that with a list of different accomplishments members may want to share and brag about.
- Go visit the website often because it will have updates often and you also need to know how to sign up.
- The meeting included a double feature tech day featuring help with minor maintenance on member bikes. Tire and oil changes as well as changing & flushing brakes. The second part of the of the double feature was a Base Camp seminar. Tech day was a hit.
