New Business & Event Committee Info:

Lots of time spent discussing future events and meetings.

NOTICE the October 13 meeting will be part of a "weekend get-a-way" at Percy Quin State Park in McComb. The meeting is on Saturday as always, but we will be cabin camping on Friday the 12th and Saturday the 13. COME join in all the fun. There are 4 cabins that are going fast. Several have 2 bedrooms so if you can talk a friend into it split the cabin. When the cabins run out they have a "hotel" that is within walking distance. We will have a camp fire and the Saturday evening meal will be a low country boil. CALL NOW and get your cabin or room before they run out. (Editor's note: Dan and Ken Bedi have one of the premier lakefront 3 bedroom cabins, and are willing to share the still open third bedroom with anyone who wants to split costs.)

Ian is also working on another 2018 event that we will call the Mississippi Historic Courthouse Run This will be ready very soon.

The 82 N 1 quest is being revised just a little to make scoring easier.

The Mississippi Blues trail is another quest we are doing.

The blues trail and the 82 N 1 will be staple events that will always be available. Other events like the Courthouse run will run for just that specific year.

We are also going to add another drop down on the web-page called award winners, or something like that with a list of different accomplishments members may want to share and brag about.

Go visit the website often because it will have updates often and you also need to know how to sign up.

From the President (Dan):

I have recently realized that our next meeting on August 11th, conflicts with a previous commitment that I had made a long time ago. Therefore, I will not be able to attend this particular ROM meeting. This disappoints me, as I was really looking forward to the ride with many of you through the Delta ... as well as catching the optional BB King museum tour after lunch.

Also, I'll send another e-reminder out the week before. Often times members from the central area like to meet at the Kroger Fuel depot on hwy 51 in Madison to ride together. I hope y'all still meet, and that you have a good-sized group come together too :-)

Finally, I'm adding Dean Barger to the list ... even though he won't be able to make it to this month's meeting. Steve and I both have been in contact with him. Dean has expressed interest in the club, and I'm looking forward to meeting him

Everybody ride, have fun, and stay safe!
