Web master report

- WE need more photos and ride reports to put on the page

Ride Reports:

- Perry was not at the last meeting so he talked about the whiskey run that he and David made last month. They went to mammoth cave and land between the lakes and rode some great roads.
- Tommy and his wife Dianne were at the meeting and gave a report on their trip to Alaska. Tommy could not stop talking about the plane ride to a glacier and said that the trip would have been worth it just for that plane ride. They went to Homer, Stewart and Valdez. Tommy said the road to Valdez was the best road of the trip.
- It the trip to Alaska was not good enough he and some friends went to a Road Glide rally in Deadwood. They road the black hills and made some good memories.
- Mark gave his thoughts of the MOA rally and thought it was the best one in years. Attendance was up and the vender area was better than in the past. Having a day pass was also a good move by MOA.
- Ian has not been to the last several meetings because he was doing what a biker should be doing, riding. He made a four corners ride that started in Key West hitting four corners. He did have to make a stop for brake and bearing repairs and also had his radiator de-greased. After he puts new shocks and a new Russel seat on he will get another 100,000 miles on that K bike!

Future rides and new business:

- A future ride will be a local charity event for Pediatrics to give disabled children a chance to ride a motorcycle. This will be in October. There is a \$40 entry fee and will be donated to the charity.
