Web master report

- We need more photos and ride reports to put on the page.

Ride Reports:

- Alan led a group from Madison that included Shiloh road and on up the back roads to Lena where we encountered a bridge out situation on road 500. As Paul said, it is really out! So with no other choice and being time limited it was fast but boring highway 25 for the last 36 miles. took us on a great ride this morning.
- No other ride reports but we then talked about future rides. Twisted sisters in October, MOA next year, Ken and his week-long ride to Arkansas at the end of July.
- Paul gave a heads up that next year he would be hauling his bike in a trailer to the MOA rally and had room for 3 more bikes.
- Alan gave out several ideas on where to get good riding ideas and after the meeting helped Ken plan some rides in Arkansas

Old Business:

- The 2021 MOA rally is in Montana, some 1,850 – 2,000 miles each way, so get out the maps and start planning.
