Web master report

- We need more photos and ride reports to put on the page.

Ride Reports:

- Derek took us on a great ride this morning. We met in Benton and he took us on some roads most have never been on. We even had a Harley fried of Dan on the ride. We had a good turnout and I think everyone had been missing riding. Good buddy Steve made it up from the coast.
- Alan and Laurissa have made several trips to Pensacola and had a great time taking a personal tour of our new service provider for our Beemer. This dealer is great. We even got to stop at Buc- ee's
- No other ride reports

Old Business:

- The 2021 MOA rally is in Montana, some 1,850 – 2,000 miles each way, so get out the maps and start planning.

New business:

- Ken is planning Several rides and the next one is to Arkansas with his son Josh.
- Alan reminded everyone of the MOA weekend get-a-ways and also the Motorcycle Tourers Forum for riding ideas.
- Alan and Laurissa are planning a Twister Sisters ride in Oct.
- For our October 10 weekend meeting and get-a-way we will vote on the location at the July meeting. Choice so far Dauphin Island on the coast, Joe Wheeler State park in Rogersvill AL.
- Alan is asking for more ideas of fun rides or weekend trips we can make this year.

Event Committee Info:

For more info on these just e-mail Alan Henderson. hendersonal@att.net

- We need a tech day again this year and once again we would like another refresh on Base Camp and other map planning apps. This time someone needs to bring a “clean” laptop” that base camp can be downloaded to and then start completely from ground zero.
- The 82 N 1 is in place.
- The Mississippi Blues trail is another quest we are doing.
- Mississippi 1000 N 24 (1,000 miles in 24 hours all in MS)
- The blues trail and the 82 N 1 will be staple events that will always be available. We are also going to add another drop down on the webpage called award winners, or something like that with a list of different accomplishments members may want to share and brag about.
