Web master report

- *We need more photos and ride reports to put on the page.*

Old business Business:

- It was decided that we should have a Boudin Run so Alan will get this worked out. This is in the planning stage so be expecting it soon. At the March meeting it was decided to cancel this.
- The 2022 MOA rally will be in Springfield, MO. That is about 600 miles for most of us.
- Dan WILL start the process to have some club info cards made. These cards will be for members to be able to pass out.
- An updated member list was mailed out.
- The May meeting date was changed to May 21 and will be at Steve and Patty Harrison's home in Gulfport.

New Business:

- We talked at length about club events and rides. Most agreed that if we do a weekend event that you should be able to ride there Saturday and then back on Sunday. 2 nights in a hotel is too much. For example The Natchez Mud bug festival would be a good one. Ride there Saturday Morning enjoy the festival and then ride back Sunday. Then maybe once a year do a 3 day weekend.
- Alan and Laurissa, Steve and Ian have confirmed that they will be going to the rally and camping out. Alan will reserve a specific area for the Mississippi Riders.
- There is a Web page named "Only in your State" that can be used as a guide for finding things to do.

Event Committee Info:

- Alan is asking for more ideas of fun rides or weekend trips we can make.
 - Cookeville TN?
 - Mount Nebo AR?
 - Dauphin Island
- The 82 N 1 is in place.
- The Mississippi Blues trail is another quest we are doing.
- Mississippi 1000 N 24 (1,000 miles in 24 hours all in MS)
- The Blues Trail and the 82 N 1 will be staple events that will always be available.
- The Natchez Mud Bug festival is May 13 and 14 and could be a fun weekend.
- The Juke Joint Festival in Clarksdale is April 23.
- The MOA rally is June 16,17,18 in Springfield MO.

For info on any these e-mail Alan at hendersonal@att.net

Ride Reports and tall tales:

- Rides to the meeting. Today started out overcast, windy and 40 degrees. Dan who is known as someone that can find great roads led the ride and he did not disappoint. Probably the best ride yet. We have all passed Shady Acres hundreds of times and kept on going but this was some of the best eats we have had. Very, very good!
- Bobby bought a Honda CRF 250 L Rally that he plans on having fun with.
- Steve just rolled into the meeting after a fishing trip that he took his Honda 125 with him. He rode many national forest roads and bragged that even though it was muddy at times the Honda never took a dirt nap.
- And we need pictures of all the things **you** do. WITH THE BIKE IN THE PHOTO PLEASE.

NOTICE go to the ROM website for more ride reports!!!!
