### New Business:

- Start thinking about our annual charitable donation for December.
- December election of officers

## NOTICE

- At the December meeting we will elect new officers:  
**President – Vice President -Secretary - Treasurer.** The current President will open the meeting and going by each office 1 by one will ask if there are any volunteers or nominations for that office. He then will pass out blank ballots and members will anonymously cast their ballot by placing their ballot in the basket. All nominees will obviously be asked if they are willing to serve the 2 year term. New officers will take over their roll at the January 2023 meeting.

### Event Committee Info:

- There is a Web page named “Only in your State” that can be used as a guide for finding things to do.
- Dan pulled out the current issue of the MOA ON magazine and challenged everyone to join the MOA and then shared some interesting things in the current issue. He stated he was glad there was not an opposed twin on the cover and that the K16 is the boss!
- He also pointed out the many different MOA events that the MOA has throughout the year.
- Alan is asking for more ideas of fun rides or weekend trips we can make.
  - The 82 N 1 is in place.
  - The Mississippi Blues trail is another quest we are doing.
  - Mississippi 1000 N 24 (1,000 miles in 24 hours all in MS)
  - The Blues Trail and the 82 N 1 will be staple events that will always be available.

- The MOA rally is June 8,9,10,11 in Doswell, VA. That is just north of Richmond. It is 951 miles from Madison MS and only 84 miles from Washington DC. We had a good turnout for the 2022 rally and had a great time. Use this as the catalyst to make that northeastern trip everyone wants to make!!!!!!!!!!!!

### **Ride Reports and tall tales:**

- Ride to the meeting: The weather man said it was going to rain on us but it did not. However, because it was 180 miles or more the ride down was on main roads, it was enjoyable none the less. And the food was great.
- Dan had the best ride of the month to Alpine TN with some friends for a week of fun. However, due to some sort of back hills code "what happens in Alpine stays in Alpine" so details of the event were classified. However, he did let it slip that he burned through a new set of tires.
- The best lunch ride of the month was back roads to Forest to eat at the Garden Patch. Several rode their small trail bikes.
- Bobby has many short excursions on his Honda 250. Looks like small bikes are taking over!
- Ian loves to help with bicycle rides and races and this past month was a judge on a 3 day bicycle race.
- Alan and Laurissa took a week long ride to Johnson City TN. They had a fantastic ride even though they were chased and caught by rain several times. Tons of twisty backroads that will put a smile on your face!
- And we need pictures of all the things **you** do. WITH THE BIKE IN THE PHOTO PLEASE.

**NOTICE go to the ROM website for more ride reports!!!!**
